The screenshot shows the BCA website navigation bar with the logo and links for Transport calculator and Help & Support. Below the navigation is a search bar with a 'Quick search...' field and a search icon. To the right of the search bar is a 'Click here & Buy now' button. A red circle with the number 2 is placed over the 'Click here & Buy now' button.

Create Stock Alert

The screenshot shows the 'Create Stock Alert' form. It has an 'Alert Name' input field with a red circle with the number 3 placed over it. Below the input field is a section titled 'Select filters to best describe the stock you are looking for'. This section contains several filter categories with input fields: 'Make & Model' (Make, Model, Derivative), 'Engine' (Transmission, Fuel Type, Engine Capacity), 'Mileage' (Mileage), 'Age' (Registration Year, Vehicle Age), and 'Body Style' (Body Type, Number of doors, Body Colour). Below the filters is a 'Notifications' section with a checked checkbox and the text 'I want to receive an email when matching stock is available'. Below this is a section titled 'Schedule a date to stop receiving emails' with a 'Deactivation date' input field and a checkbox for 'Delete stock alert permanently on deactivation date'. At the bottom of the form is a 'Save Alert' button with a red circle with the number 4 placed over it.
