

1. BCA SEARCH AGENT

If you are looking for the auctions of the day use our search browser, where you will find a wide variety of vehicles, from all makers and conditions. If you don't want to miss out on a specific car or maker, set-up a stock alert and always be the first to get notifications on new vehicles, and never miss out on a good deal.

1. Log in with your username and password.

2. Click here to set up your stock alert.

3. Click on each category to set up your preferences.

4. Save your alert.
